Please allow this memorandum to serve as ORS' report for the month of April 2019 in response to Commission Order No. 2018-677. In the order, the Commission requests the ORS to monitor the work committed to by Blue Granite Water Company (BGWC) at Forty Love Point and report to the Commission on a monthly basis.

The monthly report contains an overview of ongoing and completed work as stated by BGWC to address the sewer issues experienced in the Forty Love Point Subdivision.

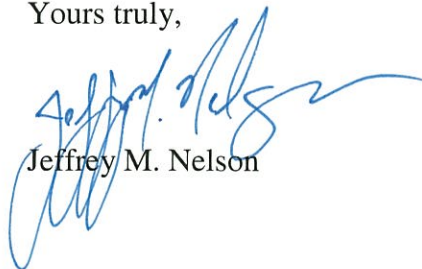

1. For an overview of the completed and ongoing work for sewer service by BGWC, please review the attached letter from BGWC dated May 3, 2019. ORS has reviewed the information provided in this letter and finds it to be a reasonable update on the issues identified in this docket. According to the information provided to ORS, construction on

the long-term solution for the Forty Love community sewer problems, which is a wet-weather lift station, has been completed and the lift station is operational.

2. For the month of April, ORS did not receive any customer complaints for sewer service from residents of Forty Love Point. No one from the community contacted ORS about sewer related issues.

This concludes the monthly report in this matter for April 2019.

Yours truly,

Jeffrey M. Nelson
